Dear Mr Niemand,

LETTER OF APPRECIATION – MS JEANETH MDLULI

This letter serves to extend a word of appreciation to you and your Company for the excellent gesture and support you afforded to Ms Jeaneth Mdluli during her tenure at Nkomati Mine. It was noted with appreciation when she was registered with Damelin and acquired a Diploma in Business Management, which was a life-line for her career. We also take this opportunity to thank you for allowing us to utilize her skills in our administration functions after her graduation. She has assisted us a lot in stabilizing our administrative functions in the office and has also built the necessary systems we required to manage our books.

The above should at least enable her to manage any administrative functions in any office where she can be deployed. She has acquired the necessary skills to do so.

Thank you so much and we hope she will still be of value at Torque Drilling henceforth.

Regards,

MS N.A. NGOBENI
